“ Aunt Charlotte,  
*I will never forget the first time we met. It was Bud's and my Honeymoon. You welcomed me with open arms then, and always have been so special to me. All my memories of Texas began with you and Uncle Joe. Time has gone by so fast since then, but all the memories will never disappear. They will be in my heart forever, and so will you. There will be days that I'm going to reach for that phone to call you, and you won't answer because now you are in a much better place with the rest of your family that has passed before you. I will always love you, and miss you so much.*  
*Love, Laurie*

“ There are many fond memories I have as a child with Aunt Charlotte.  
Whether it be collecting snails in her beautiful garden, catching lightning bugs with my sister or simply eating dinner.  
A neighbor had a baby calf once and I was allowed to bottle feed it.  
A very special Easter we visited and went to church with Aunt Charlotte, Uncle Joe, my parents and older sister, Amy. Somehow I won an egg shaped popcorn treat as the winner of the egg hunt. Amy and I ate it before we could show Aunt Charlotte.  
These are just a few precious memories that may seem minor to some, but can never be taken away and will be treasured forever in my heart. Aunt Charlotte was a wonderful, beautiful woman who had the heart the size of Texas. I'm thankful to have been able to grow up with her in my life.
