“ *It was all of the normal things that made the most wonderful memories. Eating Schoeders (sp?) burgers.....before I went vegetarian. Sitting on the back porch talking under a blanket of stars. Taking a rescue to the vet. Dinners with plenty of fresh vegetables from the garden and given even more to take home. The love and acceptance I always felt and no matter how much time passed between visits, it was as if no time had passed at all. It was an honor to know such a wonderful spirit. My heart is heavy but the memories lift me up.*

“ To the family of Charlyne.....I was given the following when my Mother passed. I hope it brings you comfort as it did me.....  
I am standing on the seashore. A ship spreads her white sails to the morning breeze and starts for the ocean.  
I stand watching her until she fades on the horizon, and someone at my side says, "She is gone."  
Gone where?  
The loss of sight is in me, not in her. "She is gone." There are others who are watching her coming. Other voices take up the glad shout!  
"Here she comes!"

“ It is with sadness but a Grateful heart, I want to say Charlyne gave me one of the greatest joys of my life when I adopted my German Shepard from her & Monty March 7, 1998. May God comfort and bless her loving family, and may they know she's at Peace in God's loving arms and surrounded by those who have gone before her! I know she's surrounded with Love by all the wonderful animals she & Monty saved throughout the years! With love, Jane Callahan, Austin, TX.

“Come to the edge, He said.  
She replied, I can't. I am afraid.  
Come to the edge, He said.  
I can't. I am afraid I will fall, she said.  
Come to the edge, He said.  
She came. He pushed her.  
And she flew." . . . . .

“ Lady I hope you danced upon knees that brought you no pain , and your head filled with the knowledge of all the love you shared, checked in with loved ones, then ran over to the rainbow bridge, to tell all those animals to quite down, you would take care of them.. and that is so much of the memories that have filled my head.. Riding into town and seeing her half way across a field, I stopped at her flagging her arms.. what? You have to go and catch those two dogs, huh.. they must be a mile out there...her reply.. your in good shape now go! Another and many more rescue stories... no dog was to worthless , to ugly, to old or to sick..if she saw it.. it became her mission, to get it to the vet... make it well, give it food and shelter, and drag them off for adoption days... with her heart hoping for all a forever home, and her eyes tearful when they were rejected...a very special place has been prepared for your arrival..you who loved so many, fly with peace..you made such a difference on earth..
