“ *Lots of love, lots of laughter, lots of fun and a bunch of hard work! Those are the things I shared with Cheryl. She holds a large spot in my memories and a big spot in my heart. Loved her laugh and she always had a hug and a compliment for me no matter where we were. Working side by side will build a friendship and Cheryl and I built a lasting one, even if we didn't see each other often. I will miss her so very much. RIP my dear friend.*
