“ *Gone but not forgotten, Collis I'll miss from keeping me updated on all the current world events, you always had lots of stories to tell about how fast you used to drive and how much money you used to make when you were young. whenever there was a family reunion you could always be found at the domino table and most of the time you would be the last player left sitting at the domino table. Those memories of you, will live on in my heart, I remember you would always call me sister-in-law. I couldn't ask for a better brother-in-law than you. RIP Love always. Cordell and Annie*
