# Tribute Wall

JS

“ I always loved Corky. When she was 12 and 13 she sang to me, read nursery rhymes, baked chocolate cakes with white icing...let me pick huge limes from a bush. I was a sickly child, she had to administer medicines, especially in my ears. She was a mother to me for awhile, then she married. I wanted so much more for her in life.

Good bye , I love you.

Judith
