“ Crystal,

I remember the first time you made your famous wings and hot sauce. I ran to the kitchen for a slice of bread and you just laughed so hard until you started crying. You were a great friend and mother. I will miss you so much and don't dance too much in heaven.

We had fun in our high school years and life sent us in separate journeys. I will always remember coming to your house and chilling with you. God gained a great angel when he called you home. My prayers are with your young son and family. #mycondolences
