“ *Just heard about Darrell's passing today
Worked with him in Laredo
Good man and a great fellow inspector.
I remember the day he "followed" a vehicle that had run the port.
The driver eventually left the vehicle and ran. The vehicle was
loaded with 1000 lbs of Marijuana.
We were not supposed to pursue vehicles that ran, so Darrell
merely followed.
So, he did not, technically, violate policy, and still got the job done.*

I worked with Darrell back in the mid nineties when he was a border patrol agent in Laredo, Texas. He was a great person who was full of life. May the Lord Jesus Christ assist his family through the grieving process and give them his love, peace, grace and mercy. God bless!

“Darrell knew how to get things done. He liked to work hard and play hard, too. He was a great neighbor and friend, had an awesome sense of humor, and he was also an outstanding storyteller. We'll miss his stories, his laugh and his friendship.

“Rob introduced me to Darrell in 2009 and it felt like I had known him my whole life. (Thank you Rob) We had a great 15 years together and had so much fun traveling and most of all fishing together and watching the love he had for hunting. We always said that our relationship just worked and as we walked through life we got stronger and stronger. Darrell was taken from us way to early and I am grateful for all the great memories we made and those will always be with me.
