“ I've known David since I was a little boy. Maybe not as much as most but he always made you laugh or had a story to tell. Also remember he never seemed to let things get him down he always had a positive attitude towards life!

“ David was a friend for many years. I first met him, of course at a dance. Over the years we would see each other at a dance, at the grocery store or the fair. It was always nice to run into him and catch up, even for a minute or two. Rest in Peace, David.
