

## David Allen Lupin

August 14, 1959 - August 31, 2021

David Allen Lupin, 62 of Houston, was born on August 14, 1959 in Texas City, Texas to Louis C. Lupin, Jr. and Mary Leigh Reiniger Lupin. David worked as a mechanic in the oilfield industry for 35 years. He was everyone's favorite employee and was the go-to guy for every problem. He enjoyed fishing, playing harmonica, gardening, cooking, watching Astros and Skeeters, and working on his jeeps. He was a member of the Foam Rangers home brew club and competed in their annual Dixie Cups winning numerous awards. David cooked with Larry the Chili Guy and the Redneck Cooking Tour at the Houston Livestock Show & Rodeo Grand Championship Chili Cook-Off for 18 years, regularly winning trophies and recognition against 80 teams or more. David traveled the world, visited great baseball stadiums, and rated every BBQ place he came across. He was also everyone's favorite sibling.

David passed away the evening of Tuesday, August 31, 2021 in Houston.

He is preceded in death by father, Louis Lupin Jr.

David is survived by his mother, Mary Lupin of Giddings; three sisters, Leigh Lunsford and husband Mark of Austin, Anna Lupin of Taylor, and Laura Kruemcke and husband Roy of Giddings; two brothers, Louis Lupin III and wife Liz of Houston and Stephen Lupin of Houston; numerous nephews, nieces, and great nieces, and many, many friends.

Dave's out deep-sea fishing with Dad on the Crystal Sea right now, but don't worry, he'll be there to greet you with a wide grin and a hearty hug when you get Home.

The family is having a private funeral and will have a gathering at a later time to celebrate his life. A scholarship in his name will be established.

I have seen his ways, and will heal him. I will lead him also, and restore comforts unto him and to his mourners. - Isaiah 57:18

“ Dave was a great man, He was such an Asset to Winches Inc. Anytime you couldn't find something all you had to do Is call Dave and he would drop what he was doing to find it for you. Searching the internet whatever it took to find it. He Loved to sit in Brian's office and talk to him about BBQ places, Astros and just anything. Dave will be greatly missed. I am sure he gave Brian a big hug in Heaven. We will see you again Friend.  
Love,

*My name is Michael De Loach, Dave and I worked at several oilfield jobs together, the one that stands out the most is when I ask him to come with me to France, there were two job sites, one in Normandy and the other was in Port St. Luie, France, he and I stayed busy and every two weeks we would travel north and or south, Dave was a very interesting friend very smart as well as willing to learn, what trained him in was SCR and Emergency Generating equipment for Ross Hill of Houston, I now live in Honolulu, Hawaii with my wife, I will Miss David Allen Lupin So Much.*
