I worked with David for over 20 years at Toyo Cotton. He was the kindest and warmest person I have ever known. He taught me so much about banking and document preparation. He and I shared the same eye doctor and we used to joke the she was pretty and we enjoyed getting our vision checked. He will be missed. My prayers and thoughts go out to his family.

Steve Kamen here. Was just thinking about Dave (used to call him "Rostrum"). I worked at Toyo in Dallas from 1979 until 1995. I liked him a lot. If you needed to know something about Letters of Credit, I don't think anyone knew more than Dave. And no matter what the pressure was, he was always cool as a cucumber. Great guy.

If anyone who reads this cares to get back to me, my email is "spkamen@aol.com",
