“ Over 2 yrs later and when you come to mind its still hard to breathe. Its like someone hits me in my stomach... It takes a few seconds for me to breathe again. I could just be driving down the road, hear a song we would sing to, see a rose, be doing nothing, see a kitten or horse, watch the fall leaves fall, see a TV show we would watch, see a child in need... You have always been my best friend since I could remember. My earliest memories always included you. My heart always and continues to have you in it. God I LOVE YOU SOOO MUCH! My Aunt Deb 🌸

“ I remember Debra as one of the strongest women I knew. We may not talk for months but when we did we made up for lost time. Our most fun adventure was when we both worked for the Auto auction. We had a blast.
She was there for me at a very dark time when I was going through a divorce.
She love her children, grand children, and greats so much. She stood beside them through thick and thin.
I will miss you my sweet friend. I'll see you on the other side. Love you my best friend.
