“ I had the privilege of working at Richards Memorial Hospital for 20 years, and Debra was such a sweet and special friend to me. My dad, Eddie Braun, worked in the maintenance department at the hospital for many years, and they always had funny things to verbally exchange. When my mother (Ida Braun) was a patient there, I was always so glad to see when Debra was assigned to care for her. She was so kind and gentle and sweet to both my parents when they were patients in the hospital. I will always remember Debra for being one of the kindest people I have ever known. The stars must surely be shining brighter with Debra in Heaven. God bless you all.
