“ Howdy..  
*As most of you already know: Diana & I traveled many thousands of miles together.  
And you all know: how she loved to talk & ramble on.... Therefore, I know most everyone by name! I've heard stories::: meetings, relationships & experiences!????  
We had tons of fun, from coast to coast,,,, ! N,S, E, W  
But, there is NOT a truer friend. She is very heartfelt in ALL .  
I miss Mybff..., navigator ( before gps), laughter, stories, happiness, trials, graciousness, support, flowerery perspective.  
She loved ALL animals, people, adventures & rocks!*

“Dustin and Sarah, I am so sorry for your loss. Your mother was one of a kind and we all know our lives won't be the same without her. I'm so glad she was in my childhood and helped me recall all the memories I couldn't. I will miss our conversations about life and funny moments, sitting on the porch and her yelling at the hogs for rooting up her back yard and taking rides on the Muley! Love,
