“ I worked with Mr. Aguilar at RISD. He was one of the kindest people that I ever knew. Always smiling, always happy, always optimistic, always ready to help! I never heard him complain one time during the six years I worked with him. Such a great man! He will definitely be missed by his family and his many friends. I will keep his family in my prayers during this difficult time.

“ He used to pay me for horny toads I would catch and put them in his garden. He used to play the guitar for me when I was a little girl. He used to write on our faces when we would sleep late. I miss you grandpa.
