“ Dearest Dona Molline, I cannot express how sad I am at your passing and how much I loved you as my wonderful friend. No words can express my feelings as I remember all the wonderful experiences we shared all through the years as children and adults alike. I have missed your laughter through the last few years as we haven't been able to see each other but have thought of you so often. I know you are with your beloved family who have gone before you and are holding the sweet hand of JESUS as HE is leading you home. May you have everlasting peace. My dearest friend, may we met again. I love you always.

“ Aunt Moline I miss you so much already but I know you have been reunited with Mom, Dad, Mamaw and many others. I will never forget all the special memories I have of us together especially when I was 5 years old living in Houston, you came to watch us during Dad's accident and we walked to the store and came back and made you a card and told you that you were my "bestest friend in the whole wide world". Both of us never forgot that day. Thank you for always being there for us and for being you! I miss you so much already and love you too! Fly high dear Aunt Moline and kiss everyone for me please and tell them I love them. Until I see you again...love your niece, Kayla
