“ *Donnie was my youngest cousin. I was nine years older, so I did not get to do boy things with him until he got older and by then I was married. He reminded me that my brother and I would scare the living daylight out of him in his visits to our old two story house in Bastrop. Some how, conveniently I had forgotten those days. We would tell him ghost stories and then live out those stories. As Donnie matured he got involved in rodeo events and did very well. I used to drive over to Lexington after work and watch him play football for the Eagles. He was a good running back and a head hunting line backer. Birdy, my Aunt keep tight reigns on Donnie and he was a good son. He was dedicated to taking care of his mother and looking after her needs. I have not been close to Donnie and I will regret not being there for him when he needed me. May God bless his family and thanks Donnie for those precious memories.*

“ *Dear Lee family, so sorry to hear of Donnie's passing. I use to work with Donnie in the old I.G.C. days at Rockdale mines in the early 80's. Donnie always had a smile and a great attitude at work. During that time Urban Cowboy came out and Johnny Lee's "Looking for Love" song came out and we would sing Donnie instead of Johnny. He took it all in great stride. R.I.P. Donnie*
