“Doris was a wonderful friend and I loved her dearly. We met in the Friendship Sunday School class at FUMC Temple many years ago (I can't remember how many). I always teased her about her avid support of UT and the Cowboys and would call her after a losing game to tell her the coach had fired her. My husband and I enjoyed being her guests at the "late night" dinner dances at the Meridian in Temple. Doris was loved and will be missed by all of her friends at FUMC and Garden Estates.

“Doris was a devoted volunteer at Richards Memorial Hospital. Residents and patients were always happy to see her and the other ladies of the auxiliary bringing cookies and popcorn to them. And they always made the lobby beautiful every Christmas. It was a pleasure working with her. She will be missed.
