“ Dee- we may not have been born as sisters, but I am truly blessed because God made sure we loved as if we were. I love you and I will always carry you along with me in my heart. Rest in peace my dear till we meet again..

DANI- I am always here for you, no matter what, no matter when.. you are not alone. I love you 

Jen- You are an amazing woman, and an answer to my prayers! I love you more than I can ever convey in words. This road is going to be hard, it's going to be like a roller coaster from hell. But you have a beautiful family that loves you, and you will get through this. Anything- Anytime... I will be here.

I am praying for all of the people who's heart Dee touched... She was a beautiful soul with an amazing smile and a heart of gold. May you find comfort knowing she is pain-free in the arms of Jesus.
