“ *May the happier times of so many years, help calm the grief and dry your tears, and when comfort seems to elude you, just remember the great memories she left for you to hold onto. My deepest sympathy goes out to all of you. Isaiah 41:10, 13*

“ *The lovely D.A. was such a bright and shining light in our community. Our granddaughters met and fell in love with D.A. just last spring and we had such plans to get together and play hair styling salon but we never got to do this because our schedules and some health issues just kept getting in the way. Every one who knew D.A. understands how she was always immaculately dressed and coiffed; such a truly beautiful and sweet lady. We will miss you, dear old soul.*
