“ I have nothing but very fond memories of Grammy. We loved getting together as a family to play games. I know for a fact we caught Grammy cheating playing spades. She just laughed, so very proud of herself for trying to pull one over on us. The truth is Grammy was a prayer warrior. She was in constant prayer for her family and everyone that she cared about. I don't know that any of us will truly know the impact that she made on our lives until we join her in heaven. She gave out of her lack and I am grateful to have known her. I am proud to have been a member of her family. You will be so very missed!
Love,
Monica
