“ So many memories flooded over me when I got your call. Our families grew up together and music was always a big part of our lives. We spent a lot of our Saturday nights following The Lone Star Playboys (Eldie's band). We had a lot of fish fries and barbecues. Lots of birthdays and anniversaries spent together. Though the years have pulled us in different directions as they often do, our families love has always remained. I love the thought that Eldie is playing music in Heaven and he and Edna are together once again. I pray that you are at peace with the knowledge that he is in Heaven and much better for it. I send our love.
