“ I remember the first time Johnny and I went to her and Uncle Herbert's house, with the cotton fields. I didn't last too long as I was pregnant and it was really hot in the fields. I remember making head sausage from start to finish at their home in Fedor. Aunt Elenora and I cleaned the intestines. A lot to learn for this city girl. I will always cherish the memories I made with this loving family. May God bless you with the peace of knowing she is with him now. Prayers and comfort to all who are left behind.

“ We will miss her she was a terrific person and a very good cook and  
a hard worker. My family and her family had many good times  
together. Now mom and dad and you and uncle Herbert can play  
dominoes again good all days. My sympathy to the whole family. 🙏
