“ *Liz was one of the team of caregivers who looked after my aunt, Evelyn Knox, in her final years. She was a devoted helper, and truly one of the sweetest and kindest people I've ever met. We had many talks on nights when she was on duty at my aunt's, and I cherish the memories of our time with her. No one can ever replace her, and she will always be truly missed -- just as she was and is truly loved by all who knew her.*

Our sincere sympathy goes out to each member of her family and all of her beloved friends.
