“ *Elroy will certainly be missed...*

*Over the years I would pop in to see them and it was though you never left. He always treated me like family and people that might be with me. From shoving plates of food in my hands to laughing. Lots of laughter in this household. Loved it!!!*

*I loved seeing what projects he had going at the time. I would run my projects by him and see if he had a better way of doing them. I don't think there's anything he couldn't do. I'm just really going to miss that.*

*Really going to miss him giving me a hard time. He was so funny! He's probably got Jesus laughing right now. 😊*
