“ *Mrs. Kipp was a beautiful lady, inside and out. I have many fond memories of spending time at her home. Mrs. Kipp would keep an eye on Bonnie and me, giggling at many of the silly things we would say and do. Thinking back, I thank God that he gave her patience and a sense of humor. She was also a great cook, baker and a highly skilled seamstress. More than anything, I will remember her smile that would light up my heart.*

“ *I will always cherish the time I spent with Elsie in my childhood. She treated me like one of her own grandchildren and had one of the kindest and most giving hearts I have ever known. I am confident she is looking down on those she loved with joy and peace.*
