“ *I miss your smile and the way you can lift anyone's spirit. I miss our long talks and dirty road adventures. I miss the love you had for everyone you met. I'm sorry for thinking we had more time. My heart hurts knowing that this is it for now. I have always loved you, even when I was hard on you and I always will. Rest easy my sweet friend/niece.*

“ *I worked with the most fun loving amazing crew/team that she happen to be a part of at Pirates Alley. Emily & KC and the two boys needed to go into town. There pt cruiser broke down in surfside. She called me I was all the way in Churchill. I didn't know anything about towing vehicles. But I told them stay there I'm on my way. She and Kc walked me through it. She would always call me her little sis and tell me how beautiful my smile was. Sending my condolences. Love and miss you beautiful.*

“ *Emily was everyone's Sunshine on a cloudy day. When I had a bad day I would ask if she could talk. She always had a positive attitude about life. She was always singing church songs. She never let anyone go without her telling them how much she loved God, her boys, family and friends. Emily, sweetheart, know we will miss you and love you till we meet again sister.....*
