“ Although I don't remember much about aunt Ernie, I do remember that she would call and check on my grandma Ruby when she was sick and I was taking care of her. I'm glad she will once again be reunited with those she loves; her parents, husband, brothers & sister's including my sweet grandma Ruby. Although she will be missed by many, including myself I'm happy to know she is at peace and with her loved ones again and that I have another guardian angel. Until we meet again.

I remember aunt Ernie visiting my parents house in the country with Pete Rogers. She had long beautiful jet black hair. She was always so soft spoken and both were very kind. I remember her well although can't remember the last time I saw her. Prayers of comfort to you all. I haven't lived there for so long. Wish I knew each of you.

“ *There is such sadness in my heart today with the passing of Aunt Ernie.*

I remember as a small child, visiting with her and Uncle Pete and being spoiled rotten.

We would jump into the El Camino and drive to Birdsall's Market and Aunt Ernie and Uncle Pete would say pick out anything you want and of course anything to a small child meant candy, candy, and more candy.

My beloved memory was when my first daughter was born and Aunt Ernie came to the hospital (everyday) with my mother to visit. She just loved to hold her.

Aunt Ernie spoke softly and was a beautiful person inside and out.

Rest in peace my beautiful Aunt. You will be greatly missed.
