“ I have only known Ernie for a couple of years, but it seems as though through our interactions that we had been close friends for a long, long time. Ernie was full of life and enthusiasm. We met as he was putting forth his leadership for the Minerva Volunteer Fire Department. He gave them leadership like they had never had and made a huge positive difference. Ernie cared for and inspired people through his friendliness and kind Christian manner. He made great contributions to the community with his big visions and he had a heart for helping others. I am sorry we will be unable to be with you for the service Friday, but Karen, please know our prayers are with you and your family. Drayton McLane

“ My friend you will be missed dearly. One of the best men I have ever met. Never meet a stranger. Missed working with you at little rivers. Seeing your face. Hearing you joke around. Always had a very caring and soothing attitude when it came to caring for your patients.

“ *Ernie and I would listen to Johnny Cash on our downtime while working in the ER. We also would sing "Baby it's Cold Outside" during Christmas time at work. We would also pray before our shifts at work in the supply room. He was a great nurse and friend! He will be missed.*
