“ I have such fond memories of visiting the farm. Esther had such a genuine love for her family and that included us cousins. She treated us like we were her own grandkids. My mom told me that growing up, Esther and her late husband Albert were like parents to her. She will be missed. But I believe there is a special place in heaven for her. She was truly one of the sweetest people I have ever known.

“ My prayers and condolences go out to the family. Esther was such a great person, I remember fondly going out to the farm and enjoying her visits and playing on the farm with Jimmy and Jerry and her yelling at the boys. I remember her quilting frame that hung in the living room and lots of laughter in that very cool house. Sending lots of love.
