“ No matter where I saw her, she always hugged me, told me she loved me, and smiled the most beautiful smile. The words she spoke were not just words to her. They came from her heart. She was, and is, the most inspiring person it was ever my privilege to know. I loved her very much and will miss her. She will be greeted in Heaven by all the people she loved so dearly.

“ I extend my heartfelt sympathy to Eunice's family and all our Coldiron relatives in the Milano and Rockdale communities. Eunice lived a long and grand life. In my Coldiron database with thousands of family relatives, it is very rare that anyone has lived to be 103 or longer. Let's celebrate her long life, and be thankful for the contributions and love she has given our family.
