“ George:

I am so sorry to hear about your Mother. She was always so cheerful and I always enjoyed talking with her, but I especially remember her telling me that I could go forward in life and to always try to achieve my business goals. She will be missed, but certainly never forgotten. God bless you and your family, George.

“ *Ms. Henry: I don't know what to say - I really wasn't ready to see you go not yet! Just thought about you a few days ago - you had wanted me to stop by sometime. You were an unforgettable lady. I did learn a lot from you in so many ways. You truly loved your son and his family so much! They were the apples of your eye. You were so very close to your Brother - now you are together again I know you missed him greatly. I am thankful that she was still able to live alone on her own - a very independent lady. Having lost much lately - to her family - I grant you all peace and comfort in the coming days. No one is ever ready for this day to come - but I know she believed in our Lord and Savior Jesus Christ and you can all take comfort in that. Rest in Peace!*
