“ I always looked up to Evelyn. As a young child, I rode the school bus with her. I was much younger and always admired how perfectly dressed she always was. She would wear beautiful headscarves in the winter. Her hair was fixed perfectly and she always had a smile for everyone. She was such a lady.

“ Mrs Kovar was the kindest, sweetest lady I have ever had the pleasure to know. She was such a pleasure to work with. You could always count on her to have a positive attitude and a smile on her beautiful face. My thoughts and prayers are with her family during this sad loss. May God bless you and watch over you.

“ Mrs. Kovar took this young green principal under her wing and helped me learn the ropes with a minimum of pain and anguish. She was such a dear sweet lady. One day during the holidays I had to give the Post Office someone to call who would vouch for me for a Christmas package I received at the school during the break. I know she was shaking her head wondering what it was all about, but she was the first person I thought of. It was a joy to work with her; and I was blessed to know her. We are sending prayers of condolences for her family.

I went to school with Michael and Glen and I remember little David when he was a baby. I was so sorry to hear of your mother's passing. Please accept my condolences and know that you and your families are in my prayers. May the Lord be with you and comfort you all.
