

## Frank Elton Edelman

July 13, 1937 - December 28, 2024

Frank Elton Edelman, age, 87 of Pflugerville, TX, passed away peacefully on December 28, 2024, at Scott and White Hospital in Temple, Texas after a short battle with Cancer.

Services will be 1 pm, Thursday, January 2, 2025 at Phillips & Luckey Funeral Home in Rockdale TX, with Bro. Rusty Swanson officiating. The family will receive visitors at 12 pm prior services at the funeral home. Burial will follow at Oaklawn Cemetery.

Frank was born on July 13, 1937, in San Angelo, Texas, to Louie and Willie Edelman. He was united in marriage on May 24th, 1957, to Cynthia Yoakum at the Murray St. Church of Christ, in Rockdale TX. Frank was a devoted family man and an active member of his community. Supporting his children was a priority, and they could always count on him to be there. No matter the weather, freezing cold or extreme heat, his boys could look up from whatever field or track they were on and see him in the stands cheering them on. Frank coached countless youth sports teams and took on numerous volunteer roles, including equipment manager, league president, concessions manager, booster club president, and many others throughout his life. In the 1970s, he spent most of his Sundays at motocross tracks across Texas, serving as his son's mechanic and often helping other racers repair their bikes trackside. Always ready to lend a hand, Frank was the go-to person for any project—whether building something or simply needing an extra pair of hands. He was always willing to show up, and more often than not, outwork everyone around

him.

Frank is survived by his wife Cynthia; his sons, Terry Edelman and wife, Phyllis of Arlington, TX, Barry Edelman and wife, Tammy of Georgetown, TX, and Donny Edelman and wife Amy, of Hutto, TX. He was a proud grandfather to eight grandchildren and great-grandfather to four great-grandchildren.

Frank is also survived by his brothers Louie Vaughn Edelman of Carrollton, TX, and Robert (Bobby) Edelman of Lindale, TX; his sister Mary Jo Arrington of Miles, TX; as well as numerous nieces, nephews, and cousins.

He was preceded in death by his parents Willie Opal and Louie Cole Edelman and his sister Ruby Smith of Lexington, TX. Frank had a successful career as a Sales Manager with Dial Corporation before retiring. Never one to remain idle, he continued working for Lowe's as a merchandiser for 13 years after retirement. Known for his tireless work ethic, if you were working with Frank, you most likely did not take many breaks.

Frank's legacy of hard work, dedication to family, and service to others will be cherished by all who knew him. May his memory bring comfort to those he touched throughout his remarkable life.

Pallbearers : Jay Edelman, Allan Edelman, Aaron Edelman, Micheal Jeffries, Maxwell Gimbert.

“ *Never was there a man more dedicated to his family than Frank! He was so proud of his boys and took every opportunity to share their successes with those he met. He loved his wife just as much as the first day he fell in love with her and still danced with her like a teenager! He was loyal to his friends - all of them! These things are the mark of a great man, a happy and content man who will be missed by many! Rest in peace.*

“ I lived on Parkway Dr.in Pflugerville, Texas. Frank and Cynthia were a constant on our street. Our neighborhood consisted only of one street. We all knew everyone. May days of watching Frank and Cynthia in the front yard setting in their swing together. Listen to the plans of their family growing as each son choose their new wife. Next came the birth of all the grandkids. Our lives evolved and life took on its new face thru the years. A couple stood steady on Parkway Dr. and time took it's toll on all of us. May god bless you during this time of loss.

Sincerely,  
Mary Williamson  
16111 Parkway Dr.

*I worked with Frank for 13 years and he made my day for every one of those days. He was so giving and caring and I enjoyed every bit of our time together. I loved hearing his stories on life or hearing stories about his family. You could tell him a town you were going to visit and he'd tell you immediately what restaurant was good that you needed to try. Frank the tank was what I called him because not one person have I ever worked with could do what Frank did. He could work circles around anyone, including me. He was one of my best friends at Lowe's and I haven't found one since he left. I'm very sorry for your families loss and I hold you all in my prayers. He was such a wonderful person.*
