“ I went to school with Fred. I haven't seen him in several years but I remember him always being respectful and kind. Rest in peace in the arms of the angels.

“ Fred was one of my favorite customers at Cliffs. He helped cook all the food for the Boobie run we had last October. Every time he came in to get a bite to eat it was always nice to sit and talk with him. He will be missed for sure. Rest easy my friend

“ Fred was my classmate. I remember him first moving to Rockdale and being in class with me. He was so funny he made friends automatically. He was kind of a classroom clown, but he was so nice to everybody and lately he had been coming by my house on his way to the park in the morning he would stop and we would have a little conversation and a little laugh . He was just that kind of guy Jody bear will be missed rest easy my friend. Rest easy. 🙏🙏
