“ Mr Connally was my baseball coach back in the early 70's in Pasadena TX. I can still see him sitting on the ground, with his back against the dugout fence, signally pitches to the pitchers...1 fastball 2 curve...or course with his huge glass of tea next to him on the ground. He taught all us little squirts a lot about baseball. I also remember him playing golf with us occasionally after we got older. RIP Coach. Condolences to Kelly, Fritz, Mrs Connally and the entire family.

“ He was such a good man and friend to my parents. As fellow Aggies, they had much in common. I remember hearing about his trips to "fix" Daddy's TV and card games at Bob's, as well as visits during family events. I know he'll be missed. There's probably plenty of laughter and reminiscing up in heaven.

With love,
