“ We would like to extend our heartfelt condolences. We met Gary back in 1990 when he became our upstairs neighbor, it was then he became a permanent part of our extended family and friends circle. Gary gave us our first family cat that we treasured for many years, and of course he would often ask about. Gary was a kind and gentle soul who will be greatly missed. May God wrap his loving arms around you with peace and comfort. Love, Rick and Michelle Blindert

“ As an employee of Third Coast NAPA, Gary was always a hard working employee. Gary always got along with everyone, most of the time he kept to himself but had positive attitude and helped others. He will be greatly missed by many that knew him. RIP brother until we meet again.
