“ Prayers to the Salazar and Fritsche families. Gema a was a very special little girl. I didn't get to know her well but I still see her big beautiful smile on her face at VBS in Serbin. She loved coming and having fun with all the other children. Gema will be missed by millions of people.

God saw you getting tired, when a cure was not to be. So he wrapped his arms around you, and whispered, "come to me." You didn't deserve what you went through, so he gave you rest. God's garden must be beautiful, he only takes the best. And when I saw you sleeping, so peaceful and free from pain I could not wish you back to suffer that again. - unknown
