“ I was privileged enough to live as a neighbor to Nell and George a number of years ago, and I don't think I ever met a nicer or more helpful couple. It was such a pleasure to drive by and see them working in their beautiful yard. George seemed to enjoy gardening so much, and always seemed to be involved in some project with their home and/or property. I adored him as a friend and it was sad when I moved away from their neighborhood. Later on, I was so pleased to work with Sarah at Blue Bell. I know he will be missed terribly and ask God to comfort all of his family and hold you all in His loving arms as you cope with your loss.
In sincere sympathy, Lois Braun Noak
