“ Edd was my cousin, more like a brother. I can't remember a day of my life without him. He decided who I could date, where I could go and when I had to be home. I looked up to him. And then he added Judy to our life and she was the best thing he could ever have, she is an angel and I love her like a sister. I know he was always the strong one, the one who'd go the extra mile to help anyone but especially his family. I will miss him, but I know he's waiting on the other side building a place for all of us. I love you. Ride high my dear Edd.

“ I shall see you again, but this time I wont be needing any spankings. Uncle Ed was one of the few men who spanked me as a child, Lance and I were swimming in the pond which was a big no-no.. Love you Uncle until we meet again!!!
