“ Big Mama, Robert, and I moved into Bill's house to be close to you, because you truly invited me into your family and didn't see my color. During the 10 years we lived across from you, you would tell me so many stories about the family, your brother Buster, and Johnnie Mae so that I would know Robert's parents. I will miss you so much, and your nephew is hanged for the rest of his life by your passing. I know you are home with God now because you loved him so much did his work on earth and saved many people while you lived. Always and Forever Love and Missed from Robert and Marlo.
