“ *I've known Snoop for almost 40 years. We met at Hugh's Place through our dear friend Bernice "Granny" Shoemaker. He was a sweet and dear man with a big Heart. He loved and took care of his mother very well. I saw him at Thanksgiving and Christmas this past year. He seemed Happy but missed his mother a lot. I know she was waiting for him when he left us. RIP Glen and Lil.*

“ Snoop used to come in our store nearly every day and always with a big smile on his face! Sometimes he would hug you so tight he almost hurt you, but it was a good hurt! He was one of the kindest people I ever knew and loved and took care of his mother like no one ever has!! I used to always say you could judge a man by the way he treats his mom and I can assure you he was one of the best! Love you Snoop and may you rest in peace!

“ I don't think Glenn ever met a stranger, he was just a friendly person. Last few years I only saw him in passing and would occasionally stop and talk a minute when our paths would cross, usually when one of us were going to check the mail box. He was a good neighbor, and he will be missed. Just wanted to leave my condolences to his family, as I am sure his passing has left an empty spot in their hearts that was reserved just for him. RIP Snoop!
