“ *Greg you were my brother-in-law and I loved you like no other. You always made sure the kids and I were okay and you always told us you loved us. You always had a smile, a laugh or a joke. I miss you so much Greg (UncleGreg) as the kids say. You'll never know the pain we feel. I can clearly hear you say don't cry for me. I hope that you knew how much you were loved. Awww man Im about to cry. May you rest in peace brother until we meet again. I love you Gregory...*

“ *To the Nelson Family,*

My prayers are with you. Greg worked at the AIG Campus in Houston for a few years. I often thought he was from my home state of Ohio, because fhe talked as fast as I did, he made me laugh. I was shocked and sad to hear the news of him passing, but he is in good hands now. Rest Greg!

The news shocked everyone that knew Greg or came in contact with him. I remember the days at VALIC/AIG we all sat outside on the wall. Greg would always say something funny to make us laugh. To the Nelson Family, I know your hearts are heavy but remember the fun memories of Greg. We all must know that this world is not our home that we are just passing through and one day we will meet on the other side.
