“ I wish I could be there with all of you, but just can't, very sorry I will miss the Services for Greg, he has touched us all in many ways and he will be missed. But wanted you to know...My thoughts and prayers are with you Laura, your kids & grandkids who I've seen Greg has had a very special and transendent bond with, that will never be forgotten or broken, and your love will live on. My deepest condolences also go to my other Cousin's whom I love dearly and grew up with, Greg's brothers Terry Dale and Glenn and his Sister, Donna Jean, other Cousins like Carl he's always been close too, and of course one of my favorite people on the planet, Aunt Euteva, all of whom, can only be taking this hard and know everyone must be having a very hard time with this loss. I love each of you and wish I could ease all of your pain. Laura you have such a big heart and feel so deeply, I know this has been and will be extremely difficult for you-but I also know you are strong-much stronger than you think you are, and you will need it. Though this blow will not be easy to deal with, somehow...you can & will. The pain of this precious loss will not just go away, but will ease with time-lots of it...you just have to deal with it as best you can-in your own time and your own way. I speak from experience, letting those around you-help you as best they can, is the best solid advise I can give, that I hope you accept, there's no easy or right path now, wish there was, but in fact, everything's just a heartwrenching, blur. But, you will manage some with effort to survive- though you may not at times have the desire too, though I didn't know it, but...That's normal...but there are others who love you, are willing to be there for you, you not only need them, but they need you too. Though I'm sure that your life has been enriched and touched beyond measure with Greg in it, that is his legacy and gift to you, the years and precious moments-you shared, that you can hang on to and cherish. It's true, only time and making necessary adjustments, and letting other who care for you in to help you through this you can and will slowly be able to return to a normal life, from such a tremendous loss. Know you are all care about, thought kindly of, and my heart goes out to you. I don't have to tell you, once a Talley....always a Talley...you'll always be part of this family, and our love goes out to you, we are

here for you. Please call, if you want or need to talk, (832) 693-8727, hope to see you all, in a few weeks. My Prayers and Love is Always with you, Your Cousin, Beverly Broome
