“ *So sorry to hear about Mr. Anderson. He was such a nice man. I remember going over to Scott's when we were kids and Mr. Anderson would come out every now and then when we were playing basketball in the driveway and he would sink a free throw EVERY TIME. He never missed. Then he would just walk away...laughing. Good times.*

“ I wish to express my sincere condolences to the family. I made many trips up/down Brazos street, and always enjoyed seeing Halley outside working on his garden, doing some BBQing on his pit, or just sitting in his lawn chair under the breeze way. He would always wave as I passed by.
