“ Hannah was a dear person and always had a smile on her face. She was so friendly, I can't imagine anyone living in Rockdale who did not know her. Special prayers and support to the family. We always loved her son who was a chip off the old block and in my daughter's class in school.

“ We lived down the road from Hannah when I was a kid. She was always so sweet to me then and we remained friends. She had had such a sunny personality. We became friends then and remained friends up to this day. She was a very special person in my life and will never be forgotten.
