“ *I will always remember and be grateful for the experiences and wisdom gained from him. From volunteering and being fed not only physically but emotionally and spiritually at The Bread Ministry. He actually saved me from choking one afternoon, when we were sitting around the table eating whoppers. He literally reached down my throat and pulled the food out. And, on special occasions, he would let me pick out a special treat. Thankful to have known such a wonderful God loving man. Much love to ya Harold and Beverly and the rest of your family too.*
