“ We are grateful Harry blessed us with wonderful neighborly lasting memories. Our kids Ashley and Austin loved going to Harry’s house and hanging out and learning about life. His specialty was making spaghetti for them over 15 years ago. We plan to do a family spaghetti night over the holidays in his honor!

In addition, he had so much wisdom about the bible but also taught the kids gardening and mom and dad quite a few house tips (rose bushes to flourish). Our kids learned to love to pick okra from his yard and still a favorite today.

We feel truly blessed to have walked a life journey with Harry. Our prayers and hugs are with the family.

“*My Brother Harry, was one a a kind,
Always willing to help others, when they were in a bind,
He loved his family, there’s no doubt,
Here are a few examples, of what I’m talking about,
When I started to school, afraid and alone,
He saw me crying, and walked me home,
When we got home, Mom got mad,
I deserved the spanking, but he got it, and it made me sad,
On a trailer ride, one hot summer day,
I fell off a trailer, along the way,
Knocked unconscious, and 3 miles away,
Harry carried me home, packing me all the way,
Later in life, when I was a teen,
my friends had cars, but for me, it was a dream,
One day he walked in, and said, My car broke down on me,
If I want it, it’s yours, and he gave me the keys,
As time passed on, and my business began,
He worked for me, and became my really close friend,
A harder worker, I’ve never known,
I’d give him the plans, and leave him alone,
He was my golfing partner, when we we would play,
I enjoyed his company, in every way,
There were times in my life, when my funds ran low,
If I needed some help, I knew
where to go,
I would call him up, to ask for a loan,
he’d say come on by, I’m always home,
These words I’ve written, are absolutely true,
I’ll will miss you Brother, and be thinking of you!*”

“ *Captain Pace was my first officer in my rookie year with Austin Fire Department. He was a skilled firefighter and I learned lessons from Harry that lasted my entire career. I have fond memories of my time working for him. Because we had the same first name, he always called me "little Harry".*

My sincere condolences to the family.
