“ *Hey cousins,
I found out a few moments ago that my Great-Aunt Irene has gone home, too. My mom, Vera Brooks, expressed to me several time how she wished she could talk with Irene on the phone. At one time, I had Allan's phone number, but it was lost several "phone replacements" ago and I could not find a way to get the two of them together. Mom went home Saturday afternoon, so now they are rejoicing together in GOD's glorious presence.
We will see them again and have a grand reunion.
Love to my family,
Sammy Brooks

“ Dear Johnny and all of you grandchildren of my dear Aunt Irene,

*I am sure Uncle Benton and my dad and mom, Steve and Teeny are having a glorious reunion with our other uncles and grandparents. Aunt Irene was a lot of fun and made me feel so loved as did Uncle Benton. She was a great cook and loved her family. I remember how she spoiled Uncle Benton in every way. They came to visit me many years ago here in Mountain Home, AR. We had a wonderful visit. I have a cassette tape (that's how long it was) of us singing and laughing. Photos too but they are packed away. Wish I could share them now. We will Fly Away and join them some day. Wish I could make it to the funeral so we could get to know each other again. I am just 10 miles from the Missouri line. I will be making a donation to her church in her memory and honor. Hugs, love and prayers,,
Your cousin , Susan Brooks, Walace*
