“ Only met with him a few times at family reunions, but he was a kind and considerate man, he was also my distant cousin on my Granny's side. May God be with the family and comfort them during this time of need. I also know Angel, I just want to say I am sorry for your loss, I lost my father as well, its tough but I am praying for you all and I leave you all with this thought, honor his memory and share all he taught you with your children and grandchildren, so that his legacy lives on for generations to come.
