“ Love you dad. We miss you and remember you through everything. Through a certain song, a funny phrase you'd always say, a certain cologne smell, but most importantly when times are hard. You wouldn't believe how many things I got through this past year with advice you had taught me. But the most important advice you ever gave me, was to always hold Jesus close to me. Even though you're not here to say it, I know you're saying it. R.I.P dad. Love you. -Cisca
